

Taos Land Trust
2021 Youth Conservation Corps CREW MEMBER, Position Description

Taos Land Trust empowers people to protect the land and traditions they love through education, advocacy, and conservation. Our vision is to create a legacy of open, productive, and natural lands for future generations. Taos Land Trust is an accredited member of the national Land Trust Alliance.

Taos Land Trust is hiring youth ages 16 – 25, for Youth Conservation Corps work in Taos, New Mexico.

POSITION PURPOSE:

Youth crews will work on planting gardens, invasive plant mitigation, wetland restoration, acequia maintenance, trail maintenance, ecological monitoring, building benches and garden boxes and preparation of agricultural lands. In addition to field work, crews will participate in educational opportunities that range from learning about water rights and acequias in Northern New Mexico, tree pruning, water and land ecological health, ArcGIS mapping, and identifying invasive species.

Crew field work will be conducted largely by one Crew Lead and 4 Crew Members and overseen by the Education Coordinator. Field work involves invasive plant and tree removal and assisting with wetlands and river restoration work along the Rio Fernando. Work will also include such tasks as acequia maintenance, tree pruning, planting, and weed removal. Additional work may revolve around photo or video documentation and data gathering with input into ArcGIS. The crew will also be involved in preparation work for future agricultural and orchard sites on the Rio Fernando.
